**16th Annual ECS Memorial Golf Tournament
June 28, 2019**

Dear Friends,

On January 27, 2004, my two year old nephew, Eric Carl Sjoblom, was diagnosed with stage IV of Neuroblastoma, an aggressive solid tumor cancer. After a courageous three week fight, Eric lost his battle and passed away on Valentine’s Day 2004.

Due to the tremendous outpouring of financial and emotional support that our family received from The Tomorrow Fund during, and after Eric’s illness, we felt compelled to show our gratitude by giving back to an organization that was there for us during this most difficult time in our lives. In 2004, we established The ECS Memorial Golf Tournament to generate money in support of The Tomorrow Fund at Hasbro Children’s Hospital in Providence, Rhode Island. In Eric’s memory, we have been able to provide some relief and support to other families who are battling childhood cancer, just like we did. Your response to our annual tournament over the past 15 years has been both overwhelming and inspiring. With your continued support we have raised nearly \$200,000 for the Tomorrow Fund thus far.

We’d like to make this year’s tournament just as successful but can only do so with your help. There are a number of ways to participate: 1.) Golf in the tournament as an individual or play in a foursome; 2.) Purchase a \$100 tee-sign sponsorship with your business logo or personal message to be displayed on one of the 18 tee boxes, in our tournament program and on our website; 3.) Donate an item toward our raffle, and finally; 4.) Make a monetary donation. All donations and sponsorships will be acknowledged in our tournament program and on our website. Please register/donate online at <http://ecsfund.org/register>, or send check payable to “ECS Memorial Fund” by June 10th, 2019 to:

On behalf of the many brave children and families that benefit daily from The Tomorrow Fund and in memory of Eric, my family and I thank you for your kindness and generosity.

Sincerely,
