**19th Annual ECS Memorial Golf Tournament  
August 19th, 2022**

Dear Friends,

Hello and thank you to all who participated in last year's tournament! After the world being shut down for over a year, we came back better than ever and raised a record \$16,376 for The Tomorrow Fund! We are now in full swing planning our 19<sup>th</sup> Annual ECS Memorial Golf Tournament to be held Friday, August 19<sup>th</sup> back at the beautiful Foster Country Club.

As most of you know, on January 27, 2004, my two year old nephew, Eric Carl Sjoblom, was diagnosed with stage IV of Neuroblastoma, an aggressive solid tumor cancer. After a courageous three week fight, Eric lost his battle and passed away on Valentine's Day 2004. During this time, and after Eric's passing, we received tremendous financial and emotional support from The Tomorrow Fund at Hasbro Children's hospital. To pay it forward, we established The ECS Memorial Golf Tournament to raise money for this wonderful program. In Eric's memory, we have been able to provide some relief and support to other families who are battling childhood cancer, just like we did. Your response to our annual tournament over the past 18 years has been both overwhelming and inspiring. With your continued support we have raised over \$236,000 for the Tomorrow Fund thus far and plan to keep going.

We'd like to make this year's tournament just as successful but can only do so with your help. There are several ways to participate, such as: 1.) Golf in the tournament as an individual or play in a foursome; 2.) Purchase a \$100 tee-sign sponsorship with your business logo or personal message to be displayed on one of the 18 tee boxes, in our tournament program and on our website; 3.) Donate an item toward our raffle, and finally; 4.) Make a monetary donation. All donations and sponsorships will be acknowledged in our tournament program and on our website. Please register/donate online at <http://ecsfund.org/register>, or send check payable to "ECS Memorial Fund" by August 5<sup>th</sup> to:
